

TOYOTA C-HR

A red Toyota C-HR is shown driving on a city street. The car is in the foreground, moving towards the viewer. The background features tall, multi-story buildings with many windows, suggesting an urban environment. The lighting is bright, indicating daytime. The car's license plate area displays 'TOYOTA C-HR GR SPORT'.

Don't just take to the streets – own them. Turn corners, turn heads, turn up. Your attitude is mirrored by your car: stand-out style with inner confidence that pushes away convention. The already iconic Toyota C-HR, with its striking looks and unconventional spirit, is now your ideal counterpart. So step inside the lush interior, grab the wheel and power towards your new adventure. With the Toyota C-HR, you'll satisfy your need for more, and own your future.

Model shown is GR SPORT.

**LEAVE  
ORDINARY  
BEHIND**

# TIME TO WAKE UP THE CITY

In a world full of ordinary: stand out. Disrupt convention, throw away the rule book and trust in the value of the extraordinary. The Toyota C-HR embodies just this. It's a modern coupé with an angular design which shouts dynamism and a compact silhouette that embodies urban mobility; yet it's coupled with a wide stance, formidable power and unforgiving ability – an uncompromising ode to the SUV. So aspire to be great, live to be yourself and enjoy life's adventures.

Model shown is Sport Bi-tone.

# INSTANT POWER, SEAMLESS HYBRID PERFORMANCE

If life is a journey that needs to be driven the Toyota C-HR is your passport to adventures yet to be discovered. Engaging, dynamic and exceptionally efficient, with instant acceleration that makes overtaking a breeze, and a commanding drive that can conquer any road – the Toyota C-HR is eager and ready to go. Welcome to the next level Hybrid experience.

## THE ROAD IS YOURS

Smooth, efficient and even more economical, the Toyota C-HR is now available with a choice of two self-charging Hybrid powertrains. With outstanding performance from the 2.0 litre Hybrid Dynamic Force powertrain\*, it threads through city streets, powers along motorways, defying convention at every opportunity.

### Specifications

#### HYBRID

##### 1.8 L PETROL HYBRID e-CVT

Power **122 hp**

Fuel consumption\* **4.9–5.0 l/100 km**

CO<sub>2</sub> emissions\* **110–112 g/km**

0–100 km/h **11.0 seconds**

#### HYBRID

##### 2.0 L PETROL HYBRID e-CVT

Power **184 hp**

Fuel consumption\* **5.3 l/100 km**

CO<sub>2</sub> emissions\* **120 g/km**

0–100 km/h **8.2 seconds**

e-CVT = electronically controlled  
Continuously Variable Transmission

\* Combined cycle using WLTP data.

Figures displayed are for C-HR  
tested under the new WLTP (World  
harmonised Light Vehicle Test  
Procedure) test cycle.

\* Available in GR SPORT only.

# CLEAN CUT DETAILS TAKE CENTRE STAGE

You want the most out of every moment: the way you live, the way you work and the way you play. The Toyota C-HR gets it. That's why we've designed the cabin to be enjoyed. With seats that hug your every contour and strong diamond patterns that add prestige, both comfort and style are catered for. Lining the interior are soft-touch surfaces, contrasted by gloss black inserts which add a contemporary feel. As day fades, the mood changes, and you are bathed in the soft blue glow of the ambient lighting\*. In the Toyota C-HR your every sense is satisfied.

\* Standard from Sport grade.

COMFORT

## 800 WATTS OF PASSION IMMERSE YOURSELF IN CRISP TREBLE AND RICH BASS

You move to a different beat, and you wouldn't want it any other way. That's why the bespoke JBL® audio system\* gives you clarity like you've only experienced live – letting you take the gig wherever you go. So connect your smartphone and stream your favourite tracks for an experience that puts the artist in your car.

**Life has a soundtrack, play it loud.**

\* Optional on Sol as part of  
Luxury Pack.

# YOU DO LIFE, WE DO SAFETY

Amongst the hustle and bustle of life, it's reassuring to know that Toyota C-HR is equipped with some of the most sophisticated safety technologies available. So whilst you're focusing on life, Toyota C-HR will be concentrating on your wellbeing.

#### **Blind Spot Monitor\***

Alerts the driver to any vehicles that might be missed in the side view mirrors.

#### **Rear Cross Traffic Alert (with Automatic Braking)\***

When you back out of a parking space, rear-mounted sensors identify vehicles approaching from the left or right, warning you and then applying the brakes to avoid a collision.

#### **Simple Intelligent Parking Assist (with Automatic Braking)<sup>§</sup>**

The system helps you to steer your Toyota smoothly into a parking space or garage. All you do is provide the necessary acceleration and braking while the car parks itself.

#### **Intelligent Clearance Sonar<sup>°</sup>**

Using an array of sensors to create a 360° picture, the system detects objects around the vehicle, and provides an audible warning before applying the brakes to avoid a collision.

\* Standard on Sol & GR SPORT.

<sup>§</sup> Standard on Sol.

<sup>°</sup> Standard from Sport grade.

# LUNA

## Main features

- Toyota Safety Sense 2
  - Pre-Collision System with Pedestrian day & night-time and Cyclist day-time Detection
  - Lane Departure Alert with Steering Control
  - Lane Trace Assist (LTA)
  - Adaptive Cruise Control (Full range)
  - Intelligent Adaptive Cruise Control (IACC)
  - Road Sign Assist (RSA)
  - Automatic High Beam (AHB)
- 17" silver alloy wheels (5-double-spoke)
- LED headlamps
- LED rear combination lamps
- Front fog lamps
- 8" Toyota Touch® 2 multimedia system
- Apple CarPlay™ / Android Auto™
- Rear-view camera
- Metal Stream deco line on upper dashboard
- Dual-zone climate control
- eCall - Emergency call system

CREDIBILITY

## UNDERRUN – FRONT, SIDE AND REAR\*

Always stylish, no matter how minor the detail. Take the underrun protectors for example, an ideal combination of protection and style. They preserve the premium look by protecting the front, side and rear areas that are vulnerable to scratches.

\* Available as accessories. Please contact your local dealer for more information.

## CHROME ELEMENTS\*

Eye-catching chrome detailing added to your front fog lamps.

Contoured chrome side sills that integrate smoothly with the side of your car, creating a powerful low profile.

The rear chrome garnish adds a subtle touch of pure sophistication.

Fuel Combined WLTP (l/100 km)	4.9–5.0	5.3
Fuel Low (l/100 km)	4.2	4.8
Fuel Medium (l/100 km)	3.9–4.0	4.3
Fuel High (l/100 km)	4.4	4.7
Fuel Extra High (l/100 km)	6.1–6.2	6.5
CO <sub>2</sub> Combined WLTP (g/km)	110–112	120
CO <sub>2</sub> Low (g/km)	92–96	109
CO <sub>2</sub> Medium (g/km)	89–90	98
CO <sub>2</sub> High (g/km)	98–100	106
CO <sub>2</sub> Extra High (g/km)	138–140	147

The fuel consumption and CO<sub>2</sub> values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO<sub>2</sub> values may be calculated based on the ordered optional equipment. The fuel consumption and CO<sub>2</sub> values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO<sub>2</sub> emissions. For more information regarding the new WLTP test method, please visit: [www.toyota.ie](http://www.toyota.ie)

# TOYOTA 2050 ENVIRONMENTAL CHALLENGE & EFFICIENCY AND LOW EMISSIONS

At Toyota, we want to go beyond zero environmental impact and leave the world in a better place than we found it. To make that happen, we have set ourselves six challenges to complete by 2050. Each one presents its own difficulties, but we are committed to generating a positive and sustainable impact on society and the natural world as a whole.

## CHALLENGE 1 NEW VEHICLE ZERO CO<sub>2</sub> EMISSIONS

By 2050, we want to reduce the CO<sub>2</sub> emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

## CHALLENGE 2 LIFE CYCLE ZERO CO<sub>2</sub> EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle\*.

## CHALLENGE 4 MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

## CHALLENGE 5 ESTABLISHING A RECYCLING- BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota C-HR is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'.

For more information regarding Toyota Environmental Challenge please visit: [www.toyota.ie](http://www.toyota.ie) or contact your local Toyota dealer.

\* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

## YOUR COMPLETE PEACE OF MIND WITH TOYOTA

### CHALLENGE 3

#### PLANT ZERO CO<sub>2</sub> EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

### CHALLENGE 6

#### ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

The Toyota C-HR is built to the highest quality standards at TMMT in Sakarya, Turkey.

#### HYBRID SERVICE PROGRAMME

Hybrid Battery Extra Care cover\* on an annual/15,000 km basis (whichever comes sooner) up to the 15th year from vehicle registration date.

#### QUALITY SERVICE

Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

#### LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

#### GENUINE PARTS

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

#### COMPREHENSIVE WARRANTY

Every new Toyota comes with a 3-year/100,000 km vehicle warranty<sup>§</sup> and a 5-year/100,000 km warranty<sup>§</sup> on Hybrid components for Hybrid vehicles which covers any defect caused by a manufacturing fault<sup>§</sup>.

#### ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

#### TOYOTA EURO CARE

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years.

#### GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle<sup>§</sup>.

For more information on peace of mind visit: [www.toyota.ie](http://www.toyota.ie)

\* Check with your dealer for specific Toyota Hybrid Service Programme details. <sup>§</sup> Check with your dealer for specific warranty details. <sup>¶</sup> Transport to the nearest authorised Toyota repairer will also be covered. In addition the 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion (not valid for commercial vehicles) warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship.
