

YARIS

WHY STOP?

The perfect city car, designed for urban life, the Yaris fuses progressive Hybrid technology with a fully charged, 'ready to go' design.

Because, when you have the energy to keep going, why stop?

TOYOTA YARIS NAMED CAR OF THE YEAR 2021

Judged by a panel of senior motoring journalists, the Yaris has been acclaimed the most outstanding new car to go on sale in 2020.

DESIGN THAT

DRIVES YOU

Designed with passion, driven by obsession. The Yaris seizes the moment through expressive design that conveys its passion for life and love of movement. Bold and distinctive, its wide and compact stance hugs the road with a reassuring strength that belies its agile, dynamic nature.

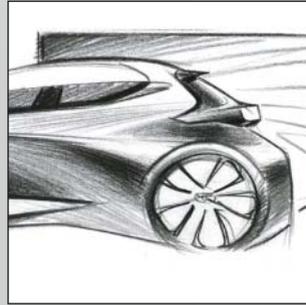

BLACK BEAN – KUROMAME

The rounded curves and glossy skin of the Japanese kuromame bean are re-invented throughout the design of Yaris.

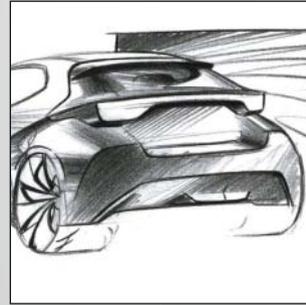

DYNAMIC BULL SHAPE AND STANCE

Inspired by the Mighty Bull, Yaris possesses a powerful kinetic energy that is always ready to go.

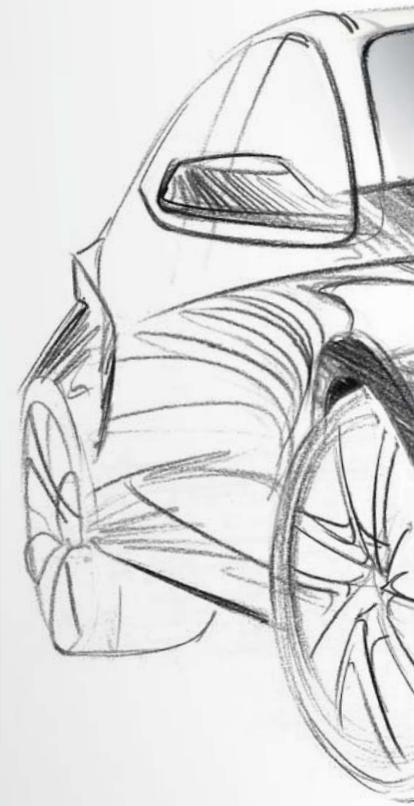

'PEAK' ROOF LINE

The unbroken line running from the bonnet and extending to the roof creates a natural peak towards the rear of the roof, giving Yaris the stance of a sprinter, poised and ready to take off.

BOOMERANG REAR BUMPER

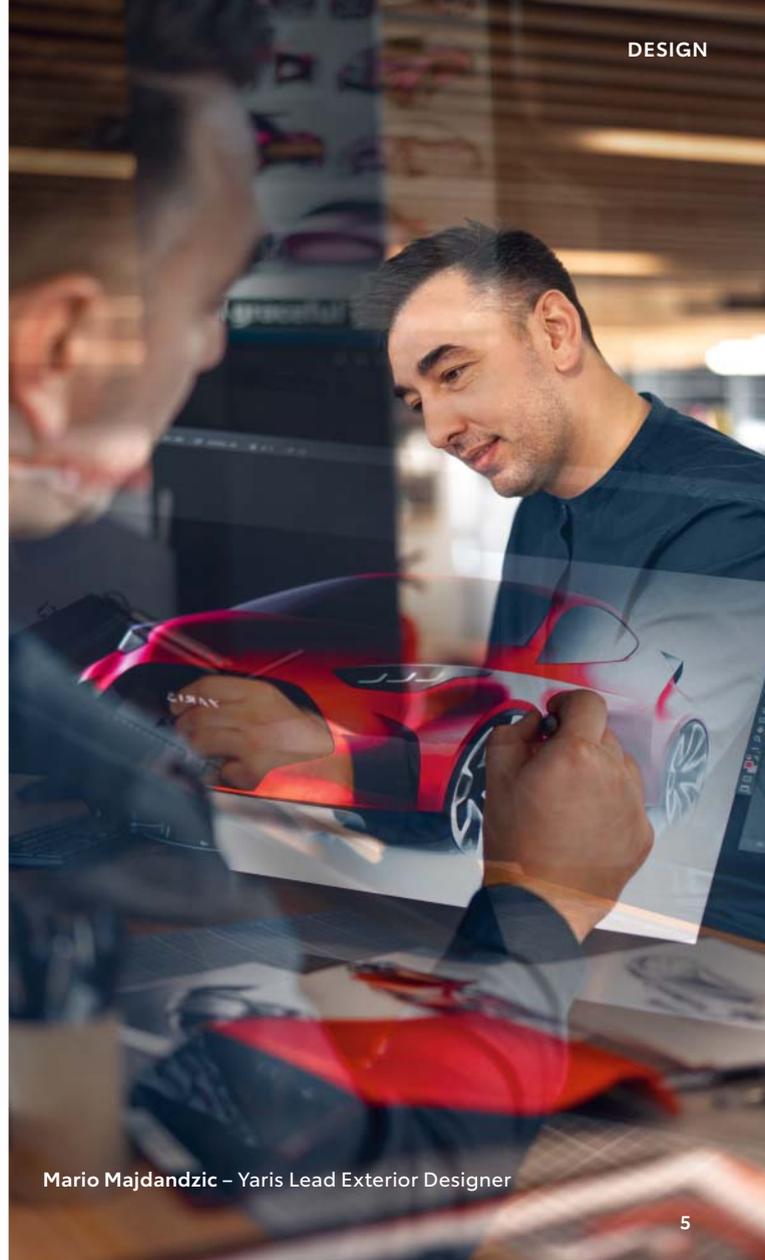

The boomerang design rear bumper pushes the rear wheels outward for a powerful, planted stance.

CONDENSED & AGILE

Every millimetre is considered: short overhangs and generous wheelbase put the space where it counts, on the inside.

Mario Majdandzic – Yaris Lead Exterior Designer

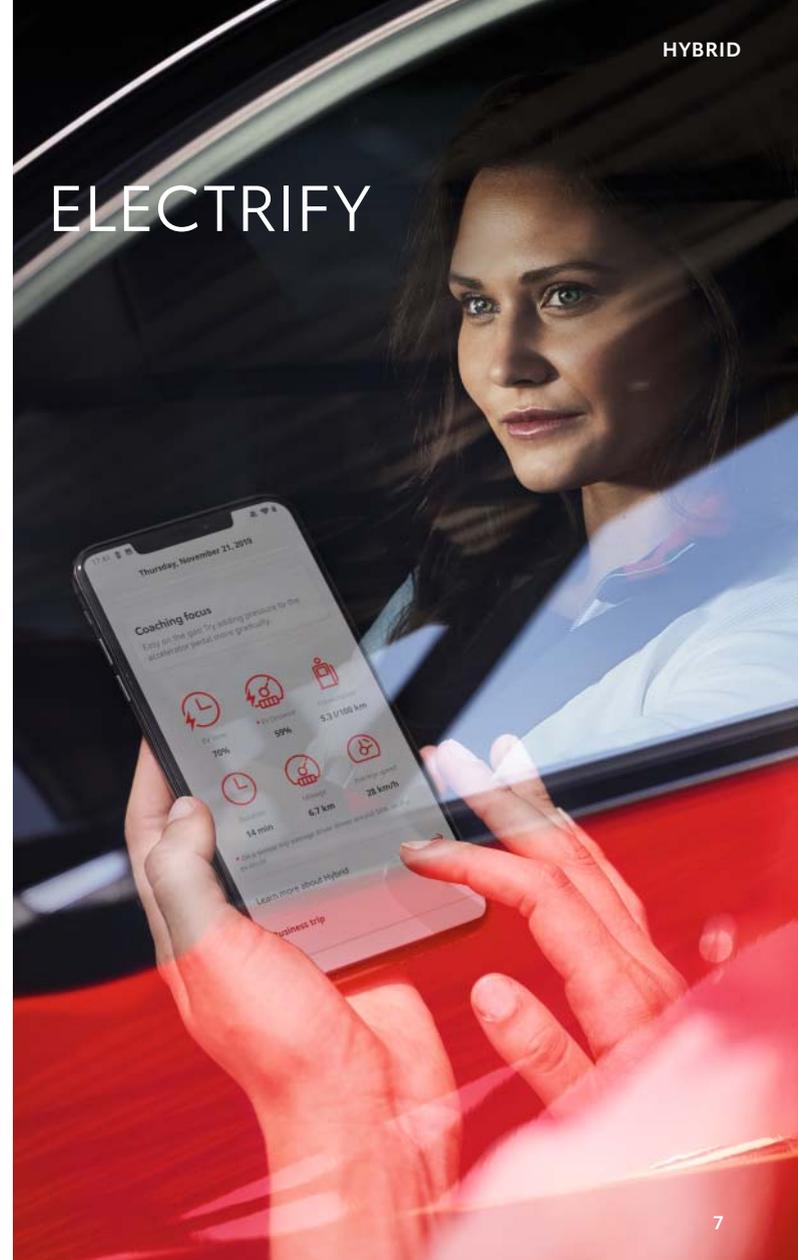

HYBRID, THE POWER TO

Yaris features a new 1.5 litre petrol engine and enhanced 4th generation hybrid system for an unrivalled combination of engaging performance and outstanding economy.

Built on more than 20 years of experience the lightweight lithium ion battery can store more power, whilst the self-charging hybrid system can recover more energy.

ELECTRIFY

HYBRID

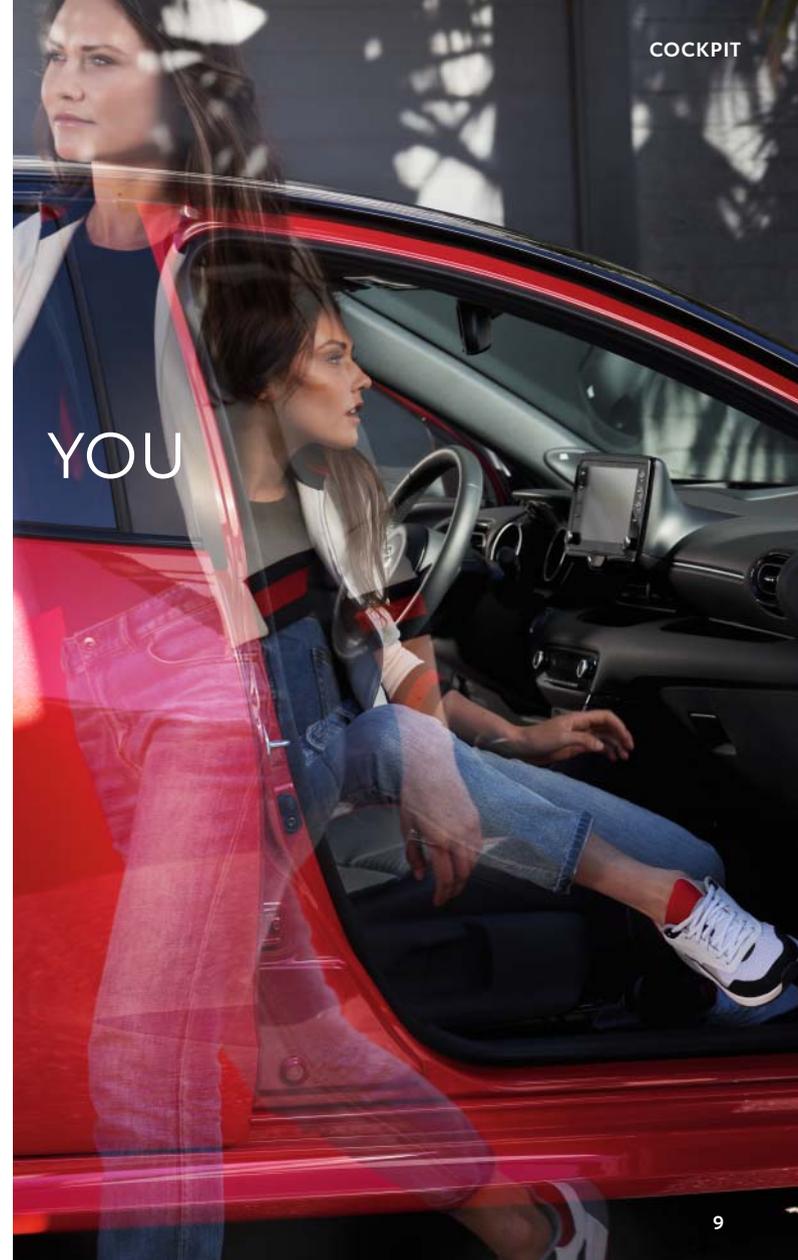

FOCUSED ON

From the soft-touch dashboard to the stunning binocular design dials*, every detail of Yaris is created around you, ensuring ease of use and reduced eye movement. The clean, minimalist design keeps your hands on the wheel and your eyes on the road whilst the low dashboard, compact steering wheel and deep front screen combine to deliver the confidence that only a perfect driving position can give.

* Standard from Luna Sport.

COCKPIT

YOU

EVERYDAY

ELEGANCE

With a modern, inviting and stylish interior, Yaris combines quality finishes and ambient lighting* to create a rich sensory environment that never loses its sense of fun. With the convenience of a front armrest with storage[§], with Yaris you can have it all.

* Standard on Luna Sport & Premier.

[§] Standard on Hybrid grades.

POWER YOUR

Yaris offers a choice of three powertrains: a 1.0 litre 3-cylinder petrol, a 1.5 litre 3-cylinder petrol and a 1.5 litre Hybrid. With high levels of torque, the 1.5 litre engine seamlessly delivers smooth, linear acceleration. Responsive and nimble in town it's also perfect on the motorway.

1.0 PETROL (72 HP) 5 SPEED MANUAL

Power **72 bhp**
 Fuel consumption*
5.6–5.7 l/100 km
 Fuel consumption (mpg)*
50.4–49.6 mpg
 CO₂ emissions*
127–130 g/km
 Acceleration
0–100 km/h 14.6 seconds

1.5 PETROL (125 HP) 6 SPEED MANUAL

Power **125 bhp**
 Fuel consumption*
5.0–5.2 l/100 km
 Fuel consumption (mpg)*
56.5–54.3 mpg
 CO₂ emissions*
118–121 g/km
 Acceleration
0–100 km/h 9.0 seconds

1.5 PETROL (125 HP) MULTIDRIVE

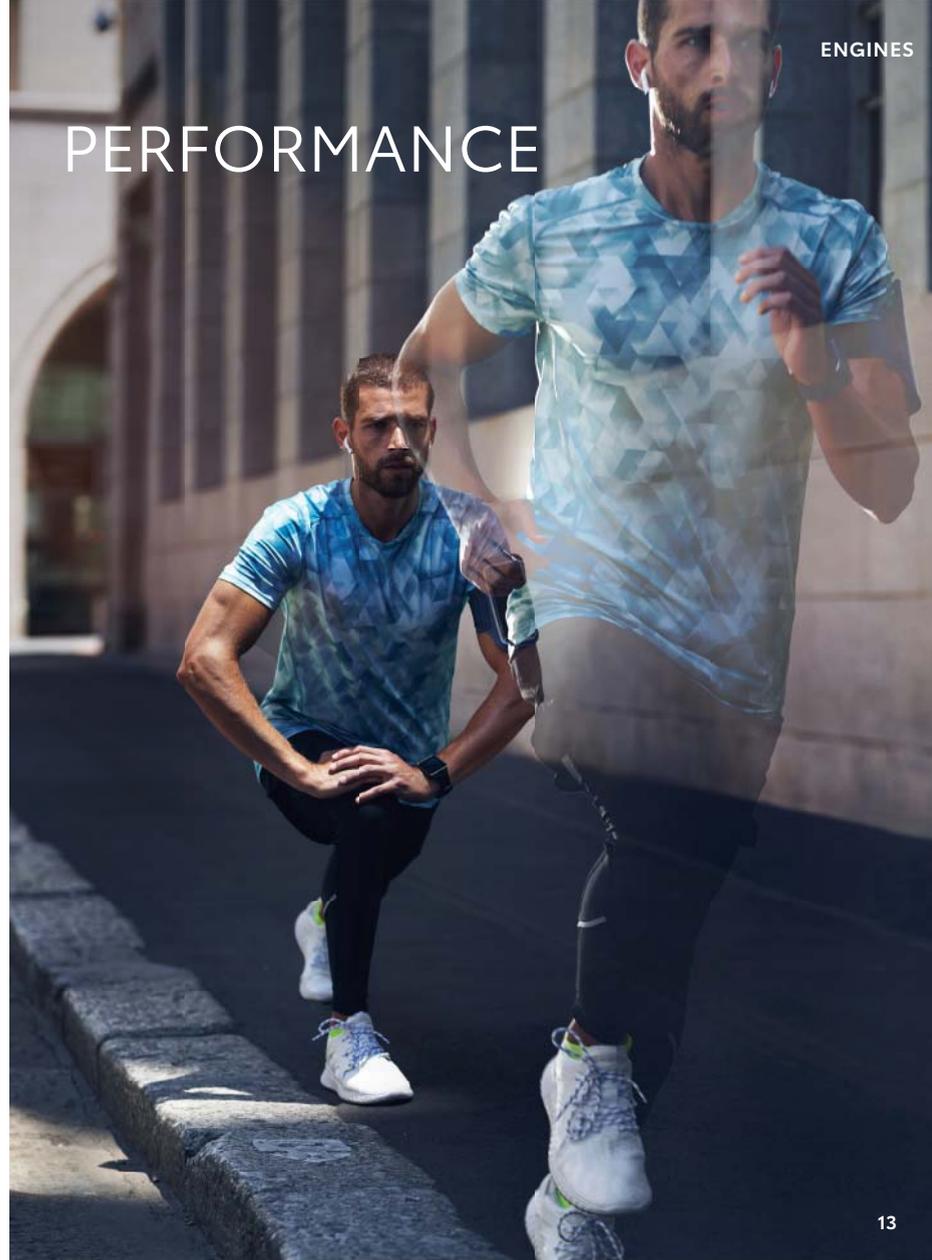

Power **125 bhp**
 Fuel consumption*
5.2 l/100 km
 Fuel consumption (mpg)*
54.3 mpg
 CO₂ emissions*
121 g/km
 Acceleration
0–100 km/h 10.2 seconds

HYBRID (116 HP) e-CVT

Power **116 bhp**
 Fuel consumption*
3.9 – 4.3 l/100 km
 Fuel consumption (mpg)*
72.4–65.7 mpg
 CO₂ emissions*
88–98 g/km
 Acceleration
0–100 km/h 9.7 seconds

e-CVT = electronically controlled Continuously Variable Transmission
 * WLTP Combined cycle.

PERFORMANCE

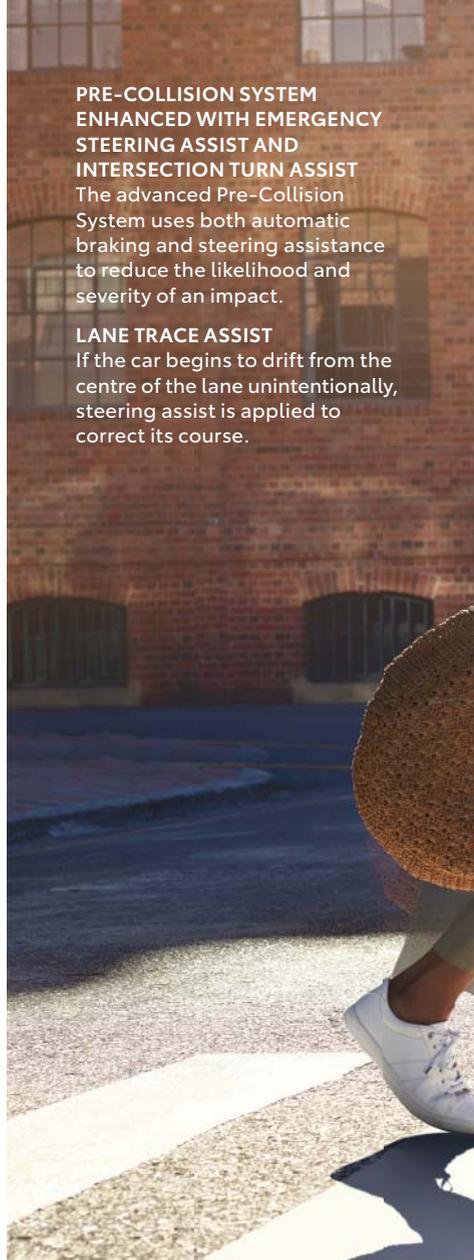

MOVING
SAFETY

FORWARD

Toyota believes that safety is a right, which is why Yaris is the safest Yaris ever. Packed full of technology, standard equipment includes Toyota Safety Sense with an advanced Pre-Collision System with Emergency Steering Assist and night-time pedestrian detection.

In addition, Intelligent Cruise Control, which includes Adaptive Cruise Control combined with Road Sign Assist, automatically keeps the car at a pre-selected speed and warns the driver if the speed limit changes. So even if you aren't thinking about safety you can be sure that Yaris is.

**PRE-COLLISION SYSTEM
ENHANCED WITH EMERGENCY
STEERING ASSIST AND
INTERSECTION TURN ASSIST**

The advanced Pre-Collision System uses both automatic braking and steering assistance to reduce the likelihood and severity of an impact.

LANE TRACE ASSIST

If the car begins to drift from the centre of the lane unintentionally, steering assist is applied to correct its course.

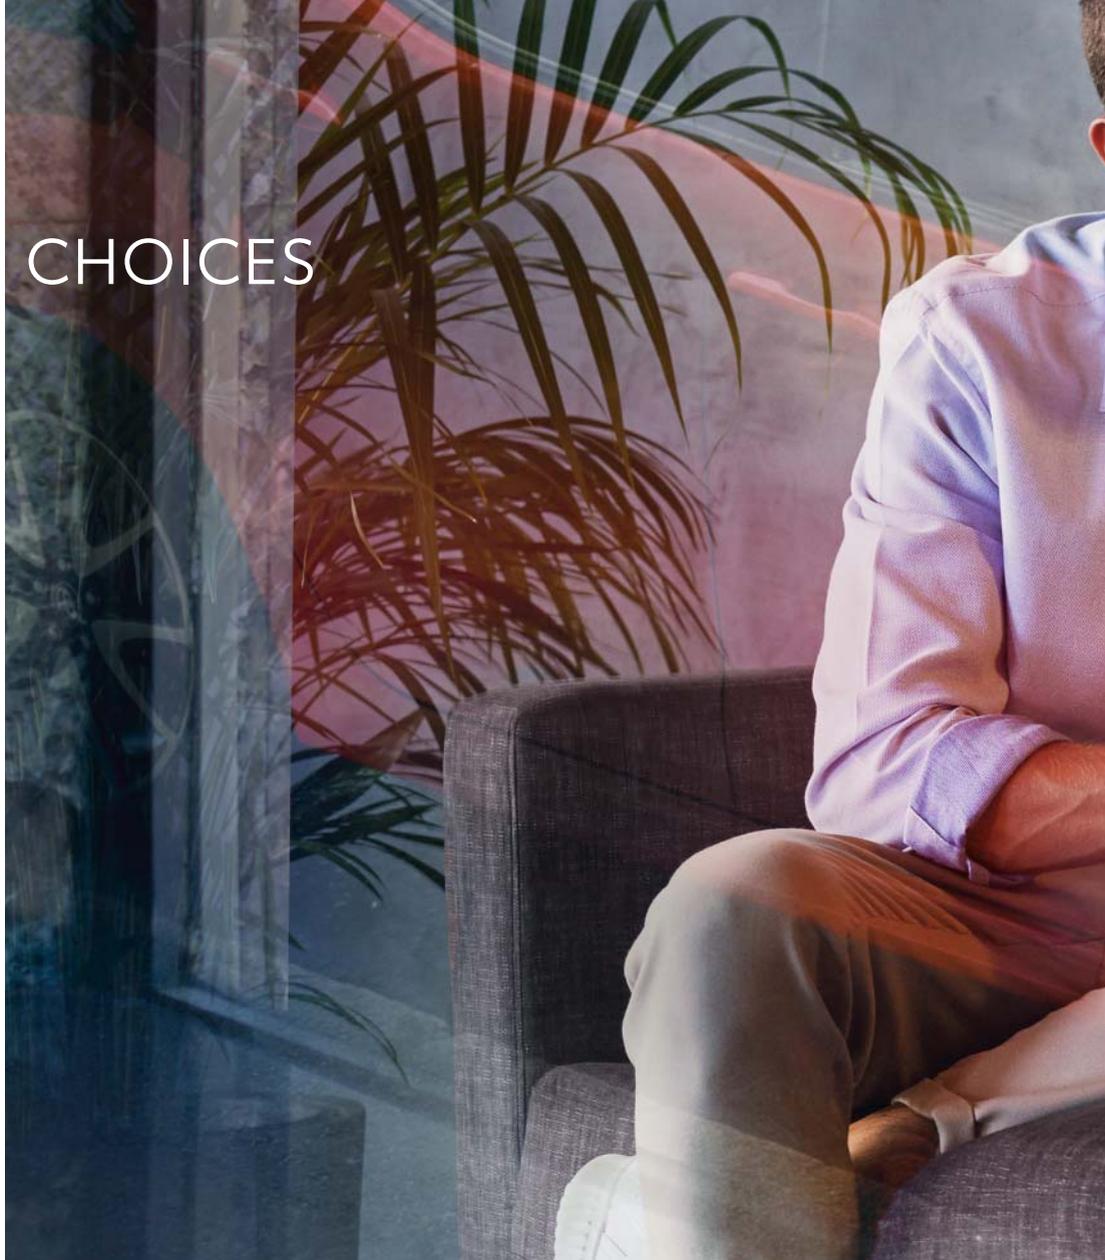

YARIS CHOICES

SELECT YOUR GRADE

- 18-19 Aura grade

AURA GRADE

PURE DESIGN THAT DELIVERS
PURE DRIVING PLEASURE.

MAIN FEATURES

- Toyota Safety Sense 2
 - Pre-Collision System (PCS) with Emergency Steering Assist
 - PCS with Pedestrian Detection (day & night) & Cyclist Detection (day)
 - Lane Trace Assist (LTA) with vibrate
 - Road Sign Assist (RSA)
 - Automatic High Beam (AHB)
 - High Range Adaptive Cruise Control (ACC)
 - Intersection Collision Mitigation
- Black fabric
- 7" Touch multimedia display
- Smartphone Integration including Apple CarPlay™/Android Auto™
- 15" steel wheels with wheel caps (8-spoke)
- Manual air-conditioning
- Projector halogen headlamps
- Daytime Running Lights (DRL)
- Power, heated, coloured door mirrors
- Centre airbag
- Dusk sensor
- Front power windows
- Shark-fin antenna
- eCall - Emergency call system

LUNA GRADE

SUPERB COMFORT AND THE
ESSENTIALS OF LIFE COMBINE TO
DELIVER THE PERFECT PACKAGE.

**MAIN FEATURES (ADDITIONAL
TO AURA)**

- 15" Alloy wheels (5-double-spoke)
- Rear-view camera
- Front fog lamps (halogen)
- Rain sensor
- 3-Spoke leather steering wheel &
leather gear-shift knob
- 4 Speakers
- Rear spoiler (not available on
1.0 litre petrol)

**HYBRID (ADDITIONAL TO
LUNA PETROL)**

- Full Range Adaptive Cruise Control
- Smart entry & start system
- Climate control
- Electronic park brake

LUNA SPORT GRADE

SUPERB COMFORT COMBINED
WITH INTUITIVE TECHNOLOGY
AND BREATHLESS GOOD LOOKS.

**MAIN FEATURES (ADDITIONAL
TO LUNA)**

- 16" Black machined-face alloy wheels (5-double-spoke)
- 8" Touch multimedia display
- 6 Speakers
- Privacy glass
- Smart entry & start system*
- Binocular TFT
- Digital speedometer
- Illuminated entry (LED)
- Rear power windows

**AVAILABLE IN BI-TONE BODY
COLOURS WITH POLAR WHITE ROOF
(HYBRID ONLY)**

- Night Sky Black (2ND)
- Cobalt Blue (2ST)
- Oxide Bronze (2SU)
- Ash Grey (2SV)

* Petrol only, standard on Hybrid Luna.

PLATINUM GRADE

CHOOSE YOUR OWN STYLE,
BECAUSE ORDINARY WAS
NEVER YOUR OPTION.

MAIN FEATURES (ADDITIONAL TO LUNA SPORT)

- 17" Black machined-face alloy wheels (10-double-spoke)
- Light grey leather seats
- Sports front seats
- LED Headlamps
- LED Front fog lights
- Dual-zone climate control
- Electrochromatic interior mirror (auto dimming)
- Painted lower radiator grille
- Driver & passenger seat height adjustment

PREMIER GRADE

BE LOUD, BE PROUD,
BE YARIS.

MAIN FEATURES (ADDITIONAL TO PLATINUM)

- Available in three Bi-tone colours with black roof: Pearl Red (2SZ), Pearl Ice White (2PU) and Tokyo Fusion (2SW)
- 17" Machined-face alloy wheels (5-double-spoke)
- Dark-chrome lower radiator grille
- Black partial leather (synthetic) with grey stitching
- 10" coloured Head Up Display
- Illuminated entry
- Light-blue ambient lighting
- Black roof-lining

GRADES

HYBRID STYLING

Make an impression with Toyota's Hybrid protection accessories. From scuff plates to protect your paintwork, to non-slip textile mats with elegant silver detailing. Complement Hybrid styling with your Hybrid Smart Entry key cover.

Key cover

Scuff plates & textile floor mats

TRANSPORT TO THE MAX

The aerodynamic design of the lockable roof rack makes the perfect foundation for a wide range of attachments, from luggage boxes and ski racks to bicycle carriers. The ski & snowboard holder is designed to carry up to 4 pairs of skis or 2 snowboards. Its secure fastenings use rubber profiles that are kind to your equipment.

DETACHABLE TOWING HITCH

Easy to fit, lockable and with an anti-corrosion surface, this detachable towing hitch can be stored when not in use.

CHROME YOUR STYLE

Eye-catching chrome detailing added to your front bumper and grill. Contoured chrome side sills that integrate smoothly with the side of your car, creating a powerful aerodynamic. The rear chrome garnish adds a subtle touch of pure quality.

ACCESSORIES

- Front and rear garnish
- Chrome side sills
- 17" alloy wheels – anthracite machined

Available as accessories. Please contact your local dealer for more information.

DEFINE YOUR STYLE

HIGHLIGHT THE BASE – TOKYO FUSION

Coloured and contoured to integrate smoothly with your new Yaris. This set-up gives your Yaris a look you can't ignore. Get a powerful low profile appearance in an easy and accessible way. Make a first impression that sticks.

ACCESSORIES

- Front, side and rear sticker pack
- Mirror cover
- Centre cap
- 17" alloy wheels

ACCENTUATE YOUR STYLE – TOKYO FUSION

Eye-catching yet complementary to your new Yaris' style, these innovative finishing touches combine seamlessly to create a fresh and unique feel. Be different and stand out.

ACCESSORIES

- Front and rear garnish
- Side sills
- Mirror cover
- Centre cap
- 17" alloy wheels – glossy black

Available as accessories. Please contact your local dealer for more information.

The fuel consumption and CO₂ values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO₂ values may be calculated based on the ordered optional equipment. The fuel consumption and CO₂ values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO₂ emissions. For more information regarding the new WLTP test method, please visit: <https://www.toyota-europe.com/world-of-toyota/feel/environment/worldwide-harmonized-light>

TOYOTA 2050 ENVIRONMENTAL CHALLENGE & ENVIRONMENTAL LIFECYCLE POLICY

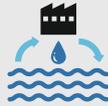

At Toyota, we want to go beyond zero environmental impact and leave the world in a better place than we found it. To make that happen, we have set ourselves six challenges to complete by 2050. Each one presents its own difficulties, but we are committed to generating a positive and sustainable impact on society and the natural world as a whole.

For more information regarding Toyota Environmental Challenge please visit: www.toyota-europe.com/world-of-toyota/feel/environmental-sustainability or contact your local Toyota dealer.

CHALLENGE 1 NEW VEHICLE ZERO CO₂ EMISSIONS

By 2050, we want to reduce the CO₂ emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

CHALLENGE 4 MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

CHALLENGE 2 LIFE CYCLE ZERO CO₂ EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle*.

CHALLENGE 5 ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Yaris is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'.

* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

CHALLENGE 3 PLANT ZERO CO₂ EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

CHALLENGE 6 ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

The Toyota Yaris is built to the highest quality standards at TMMF in France.

YOUR COMPLETE PEACE OF MIND WITH TOYOTA

HYBRID SERVICE PROGRAMME

Hybrid Battery Extra Care cover* on an annual/15,000 km basis (whichever comes sooner) up to the 10th year from vehicle registration date.

QUALITY SERVICE

Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

GENUINE PARTS

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

COMPREHENSIVE WARRANTY

Every new Toyota comes with a 3-year/100,000 km vehicle warranty and a 5-year/100,000 km warranty on hybrid components for Hybrid vehicles[§], which covers any defect caused by a manufacturing fault[°].

ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle[§].

TOYOTA EURO CARE

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years.

For more information on peace of mind visit: www.toyota.ie

* Check with your Toyota dealership for specific Toyota Hybrid Service Programme details. [§] Check with your Toyota dealership for specific warranty details. [°] Transport to the nearest authorised Toyota repairer will also be covered. In addition the 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion (not valid for commercial vehicles) warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship.
